EDUCATION

Tatyasaheb Kore Institute of Engineering and Technology, Kolhapur, India

B.Tech, Electronics and Telecommunication Engineering, 8.02 CGPA

Yashwantrao Chavan Warana Mahavidyalaya, Warananagar, India

XII (HSC), Percentage : 89.50

Kanyashala, Shirala, India

X (SSC), Percentage : 81.60

SKILLS

Technical Skills: C++, HTML, CSS, Javascript

Tools & Technologies: GitHub, Git, VS Code, Dev-C++, Tinkercad

Soft Skills: Adaptability, Teamwork, Time Management

EXPERIENCE

Business Web Solutions – Remote (Present)

Full-Stack Developer Intern

December' 2024

- Worked with the development team to build and maintain web applications using HTML, CSS, and JavaScript.
- Collaborated on designing responsive user interfaces with Tailwind CSS.
- Gained hands-on experience with version control tools like Git and GitHub.

PROJECTS

Automatic Plant Management System using Arduino

- Designed and implemented a system to optimize water usage for plants.
- Integrated soil moisture sensors, temperature sensors, relays, and water pumps for real-time monitoring and control.
- Programmed Arduino to automate irrigation processes based on sensor data, ensuring efficient water usage.
- Achieved improved plant health and water conservation through precise irrigation control

Truck-Watch: Smart Load & Location Management System

- Developed a truck monitoring system using GPS, load cells, RFID, GSM, and Ubidots to track real-time weight, location, and truck conditions.
- Automated overload detection with reports sent to the RTO and triggered preventive maintenance alerts via SMS.
- Enhanced fleet safety, ensure regulatory compliance, and optimized logistics management with real-time data monitoring.
- Utilized ESP8266, HX711, and Ubidots for seamless data handling and communication.

PUBLISHED WORK

“Bidirectional Visitor Digital Counter” – JETIR, August 2, 2024

- Published a paper on a bidirectional visitor counter system for efficient counting.
- Focused on practical applications in security and facility management.

TECHNICAL ACTIVITIES

- **Technical Club Member**, ETSA Committee
- **Solving Problems on HackerRank**

INTEREST

- Writing blogs and Drawing Pencil Sketches
